

## 55 North Mining Announces Closing of Flow-Through Financing

**Toronto, Ontario – February 27, 2026 – 55 North Mining Inc.** (CSE:FFF) (FSE:6YF) (“**55 North**” or the “**Company**”) is pleased to announce that it has closed its previously announced non-brokered flow-through private placement (the “Private Placement”).

Pursuant to the Private Placement, the Company issued 1,702,800 flow-through common shares (“FT Shares”) at a price of \$0.745 per FT Share for aggregate gross proceeds of \$1,268,586.02.

The FT Shares entitle the holder to receive the tax benefits applicable to flow-through shares in accordance with the provisions of the *Income Tax Act* (Canada). No warrants were issued in connection with the Private Placement. All securities issued pursuant to the Private Placement are subject to a four-month hold period in accordance with applicable securities laws.

The gross proceeds raised from the Private Placement will be used to incur eligible Canadian exploration expenses that qualify as “flow-through mining expenditures” for purposes of the *Income Tax Act* (Canada), related to the exploration of the Company’s Last Hope Gold Project.

The Company further confirms that exploration drilling activities are underway, with one drill rig currently operating on the Last Hope Gold Project. A more detailed operational update will be provided in a subsequent news release.
